The President has accordingly
submitted for early sanction a plan and
an estimate amounting to Rs 7888/- for
- Construction a slaughter house

near the Kumbarapandi pasture land and states that plans and estimate for the new mutton stalls will be submitted separately. The Board have also perused the plan and the estimate for the new slaughter house. The President states that a sum of Rs 1107/- has been received from the P.W. Department as compensation for portion of the fish and fowl market taken up for widening the Mysore Road, and that an additional sum of Rs 6000/- is expected to be credited to Municipal Funds on account of the old octroi roti and other buildings that were taken up for the Victoria Hospital. These amounts are proposed to be utilized for the works and the balance required is proposed to be met out of the provision (Rs 3200/-) made under "Original works - Buildings"

Rs 2000/- have been sanctioned by Govt

coming year's budget The President lays stress on the necessity for a new slaughter house on sanitary principles and for its removal from its present position which is also objected to by the residents of Segebali and other neighbourhood. The present slaughter house & mutton stalls are estimated to fall down in the rainy season and the Municipality will be unable to collect the rents from the stalls. Draft sanctioning the estimate & calling for an estimate for the mutton & fish stalls is submitted.

This morning, in company with the President & Vice President, I inspected both the present Slaughter House and the site selected for the proposed new one. The former is in an objectionable ~~[illegible]~~ locality ~~[illegible]~~ and is further in not a well arranged building. The former it is replaced by a better building in a more eligible & ~~[illegible]~~ locality & better. The site selected seems quite free from objection. The Plan has been carefully prepared and meets all requirements. The Estimate (Rs 78509) is moderate but before sanctioning it, I have come to the conclusion that the Committee of the Budget for 1903/04 which leaves much smaller working balance than has been sanctioned by Standing order, I received ~~under the Minutes~~ as was represented to me this morning by the ~~D.M.O.~~ Committee has, at the request of the D.M.O. Health Officer, afforded the Municipality credit for Rs 6000 being the compensation due for building & land taken up for the Victoria Hospital: I believe the sum of Rs 1107 has already been taken into account in the Board's Budget.

The immediate removal of the mutton & fish stalls from their present place has not been recommended - for I see this measure seem either ~~[illegible]~~ unequal even necessary - Four more stalls & other conveniences - centre of the City, are

what has been in the contemplated
These showed work until
funds could be found for
their construction - The
main Hall showed continue
to be as near the Market-
as possible and this will
cause no serious inconvenience
to the neighbourhood -

I am afraid that the
Slaughter House building per se
will not reach to large
a figure as Rs 14000 - This
however is not a question
which now requires consi-
-deration -

After getting from the
Comptroller & a reply to the
enquiry suggested above,
the plan may be submitted
and the Estimate sanctioned
the cost being treated as a
Lump grant - I moved suggest that

This matter be dealt with by Executive Engineer
as required

has been received stating that requisition
has been received from the Examiner P. W.

Accounts to give credit of Rs 6000/- to the Bangalore City Municipality and that accordingly the amount will be adjusted by a credit to Municipality and debit to P. W. Department.

With regard to the sum of Rs 1107/- stated to have been received by the Municipality as compensation for portions of the fish and fowl markets taken up for widening the Mysore Road, both the Comptroller's Office and the Executive's office say that accounts for April & May have not yet been received and that accordingly information cannot be furnished as regards the payment by the P. W. D. in question. From the municipal Budgets, it cannot be made out whether this has been taken into account in the Board's Budget. Draft docket to President is therefore submitted to ascertain whether the amount has been actually received by the Municipality.

Please see the Municipal Office Head Accountant's letter just received. He says that the amount Rs 1107 was adjusted

by the Comptroller in his cash a/c
for March by a credit to Municipality
It has now been ascertained in the
Comptrollers' office also that the amt. has
has been shown on the credit side of
the Municipality under the head
"Recoveries from other deptts" Hence the
draft docket to President has not been issued
Draft approving of the plan
and sanctioning the estimate is sub-
mitted for approval and orders.
The amount (Rs 7800/-) has to be
sanctioned as a Supplemental grant
to the next year's sanctioned Budget
of the Municipality as any grant
for the current year will probably
end in a lapse. The financial condition
of the City Municipality for 1903-04 as
per sanctioned Budget is as follows:-

Sir,

With reference to your Official memorandum No. 5470/L.F. 113-96 dated the 28th September 1901 forwarding a petition from G. Guru Rao and other residents of the Bangalore City praying for the removal of the Slaughter house, meat stalls and fish and fowl markets from their present position in the Mysore road, I have the honor to state that these buildings came into existance about 30 years back

When the British Military
force were stationed in the
Bangalore Fort and the Grooms
Lascars and other low caste
menial servants employed in
the garrison were the only
residents of that locality. Matters
were to a certain extent changed
after the departure of the troops
to the Civil and Military Station.
But after the opening of the
Western Extension there was
Complete Change. Arcot Srinivasa
Charlu's Street was extended
up to the Mysore road and
other ways of Communication
across the latter were improved
to facilitate traffic between
the City and the Western Extension.
People are incessantly passing

-through these roads from the City to the Chamarajendrapet. After the opening of the Victoria Hospital and the Basavangudi Extension the traffic has be-come much larger than before. Men, women and children going from the Western and Northern parts of the City either to the Victoria Hospital, Chama-rajpet or the Basavangudi Extension have invariably to pass by the side of these stalls &c, which are close to the road and present a disagree-able sight and create an un-pleasant sensation in the minds of the vegetarian Hindus. The Conditions of the City have altered Considerably since the

Sair

said buildings were brought into use and all of which militate against the Continuance of them in their present situation.

Under these Circumstances the Board at the meeting of the 19th December last resolved for the removal of both the Slaughter house and the meat markets from their present position and for the Construction of one Slaughter house and 4 sets of meat Stalls in some other convenient and less objectionable localities.

A Copy of their resolution is herewith Submitted.

SIR,

As called for in your docket N

B 12601 / L.7113-96 dated the 31st January 1902, I have

the honor to submit herewith for favor of

sanction plan and estimate amounting

to ~~Rs~~ 7,888/- for the construction of a

new slaughter-house near the Kumbargunte

pasture land. Plans and estimates for the

new mutton stalls will be submitted separately

and will form the subject of a separate reference

Compensation of Rs 1107/- has been received from the Public Works Department for the portion of the fish and fowl markets taken up for the widening of the Mayoose Road A further sum of Rs 6,000/- sanctioned on account of compensation for the old Victor Koth and other buildings taken for the Victoria Hospital is expected to be adjusted shortly by the Public Works Department to the credit of the Municipality. Both these sums are proposed to be utilized for the construction of the New Slaughter-house The balance

Provision of Rs 3,200/- provided in the next year's Budget under "VIII Public Works - (h) buildings Original." The Board at the meeting of the 26th March last approved the estimate and copy of the resolution is herewith submitted.

The value of the Old Slaughter-house, fish and fowl markets is roughly estimated at ~~Rs~~ 14,000/-. As the necessity for a new slaughter-house on sanitary principles is very much felt and the removal of it from its present position is strongly urged by the residents of Seegebuli and other places in the

Neighbourhood, the favor of your
and early sanction of the enclosed estimate
refe is requested
